Traci Cockrell - President/owner
Triton Supply, Inc.
6012 Campus Circle Drive West Suite 188 ,
Irving, TX, 75063-2604

Dear Traci Cockrell:

Congratulations! . . . Welcome to the HUBZone Program!

I am pleased to advise you that effective this date, Triton Supply, Inc. has been approved for certification as a "qualified HUBZone small business concern (SBC)". The firm is now eligible for HUBZone contracting opportunities and will be included on the list of qualified HUBZone small business concerns found at http://dsbs.sba.gov/dsbs/search/dsp_searchhubzone.cfm. This certification will remain in effect unless SBA later determines that the firm does not meet the eligibility requirements of the program or the firm submits a [voluntary decertification form](#).

Responsibilities as a HUBZone certified concern

As a HUBZone certified concern, the program benefits the firm may receive come with important responsibilities, including:

- **Keeping the firm's System for Award Management (SAM) and Dynamic Small Business Search (DSBS) records up-to-date.** To apply for HUBZone Program certification, the firm had to be registered in SAM and DSBS. For the firm to receive benefits from the HUBZone Program (i.e., to be identified by contracting officers as eligible to receive HUBZone contracts and to be paid under any such contracts), these records must remain up-to-date. You must validate the firm's information at least annually or your SAM registration will become inactive. If you need assistance in updating your SAM or DSBS information, please go to the SAM Help Desk at <https://fsd.gov/fsd-gov/home.do>.
- **Informing the HUBZone Program of any material changes to the concern.** If there are material changes to the concern that may affect its continued eligibility, you must notify the HUBZone Program by sending an e-mail to HZMCN@sba.gov. Material changes include a change in name, size, ownership, business structure, or principal office location, in addition to falling below the 35% employee HUBZone residency requirement when the firm is not performing on a HUBZone contract. Failure to notify the HUBZone Program of material changes may result in decertification from the program. If at any time the concern no longer qualifies for the HUBZone Program, the individual authorized to represent the firm can complete the "Voluntary Decertification Agreement" available at <http://www.sba.gov/content/maintaining-hubzone-certification>

Note: the HUBZone Program mails notices regarding program examinations and re-certifications to the firm's most recent address of record. If the firm fails to respond to these notices because the firm relocated without updating its SAM and DSBS profiles and informing the HUBZone Program, SBA will propose the firm for decertification and may subsequently decertify it from the Program. Therefore, it is critical that you notify us of any change in address and keep the firm's SAM and DSBS profiles current.

- **Remaining in compliance at all times and staying updated on Program changes.** It is the firm's responsibility to continually ensure that it meets the requirements of the Program. This includes, for example, continuously meeting the 35% HUBZone residency requirement. Although the firm can make good faith efforts to "attempt to maintain" (see definition at [13 C.F.R. § 126.103](#)) having 35% of its employees reside in a HUBZone during the performance of a HUBZone contract it received (as a prime, not as a subcontractor), the business must meet this residency requirement anytime it submits an offer on and receives a new HUBZone contract. This also includes complying with contract performance requirements in connection with any HUBZone contracts awarded to the firm as a qualified HUBZone SBC (e.g., the subcontracting limitations requirements set forth in [13 C.F.R. § 126.700](#), and/or the non-manufacturer rule set forth in [13 C.F.R. § 126.601\(e\)](#)).

Note: SBA may consider the employees of affiliated companies when counting employees of the HUBZone firm. SBA considers many factors to determine if employees from the affiliated companies should be aggregated with the HUBZone firm when evaluating compliance with the principal office and the 35% employee HUBZone residency requirements. To learn more, listen to the Part 2 webinar in the "Additional Tools" sections of "Understanding the HUBZone Program" at <http://www.sba.gov/content/understanding-hubzone-program>.

- **Periodically visiting our website (<http://www.sba.gov/hubzone>) to keep up-to-date with the Program requirements and geographical designations.** Check SBA's HUBZone mapping pages to determine whether changes in HUBZone area designations impact or will impact the firm's eligibility at <http://www.sba.gov/content/hubzone-maps>. When you need help, go to the Small Business Learning Center at <http://www.sba.gov/tools/sba-learning-center>.
- **Participating in SBA eligibility monitoring initiatives.** In order to ensure the integrity of the Program, firms will be required to recertify their status and may be subject to program examinations or protests designed to verify eligibility, including:
 - SBA requiring the concern to certify in writing under penalty of perjury that it continues to meet all the eligibility criteria of the HUBZone Program or voluntarily decertify
 - SBA requiring the concern to submit updated documentation, similar to the information and documents you provided for the firm to obtain initial certification, in order to verify that it remains eligible for the program.
 - SBA requiring the concern to demonstrate that it was eligible for the Program both at the time of its initial offer and award of a HUBZone contract.
 - SBA making unannounced site visits to any or all of the concern's locations to verify the accuracy of any information provided to SBA.

Attention. By bidding on any Federal contract that is reserved only for HUBZone SBCs or for which a HUBZone preference will be applied, the firm's submission of that bid is deemed to be a certification to the United States that the company is fully in compliance with the HUBZone regulatory requirements, and that there have been no material changes since it received the HUBZone certification that have not been brought to

SBA's attention. ANY SBC FOUND TO MISREPRESENT ITS HUBZONE STATUS IN OBTAINING SUCH A CONTRACT MAY BE SUBJECT TO A RANGE OF CRIMINAL PENALTIES, TREBLE DAMAGES UNDER THE FALSE CLAIMS ACT, AND/OR SUSPENSION OR DEBARMENT FROM FEDERAL CONTRACTING.

How to get the most out of the Program

Although the firm's status as a certified HUBZone SBC greatly improves its access to Federal contracts, this certification does not guarantee contract awards. Your ability to research contracting opportunities and competitively bid on them will be the key to your success in this program. I recommend you utilize the following additional web resources designed to help you maximize the Program's benefits:

- SBA's Government Contracting Classroom website at (<http://www.sba.gov/gcclassroom>) provides valuable information on Federal contracting. Please note that while your concern was approved under the primary North American Industry Classification System (NAICS) Code found in your firm's SAM and DSBS profiles, you may be awarded contracts under other NAICS Codes. You may benefit from researching and identifying potential HUBZone contracting opportunities outside your profile's NAICS code.
- SBA's Surety Bond Program website (www.sba.gov/osg) provides information on how to apply for an SBA surety bond guarantee.
- Federal Business Opportunities (www.fbo.gov) serves as a central listing for Federal procurement solicitations to the public.

Thank you for contributing to US economic development

We wish you the best of luck as a HUBZone certified concern - your success will help improve the economic future of the HUBZone(s) in which the firm operates. If at any time you have any questions about the Program or how the SBA may be able to support your business objectives, the HUBZone Office offers assistance via an interactive conference call where we can respond to general questions and concerns in real-time. Visit our website at <http://www.sba.gov/hubzone>, for additional information or contact the HUBZone Help Desk at HUBZone@sba.gov

Sincerely,

Mariana Pardo
